

# Essence Speaks ~ The Master

© *Wings of Spirit*

The power of humble adoration for My presence in others  
will bring to you the greatest expansion of the gift of Grace in your heart.

And that one who stands before you  
exemplifying the least amount of this light,  
to that one, if you can give humble adoration,  
you shall become a Master in a small amount of time.

To the one who calls you by a name not so loved,  
if you can find My voice in all that is spoken,  
you shall become a Master in a short amount of time.

And to the one who bites the hand that feeds it  
and you be that which is feeding the little one,  
can you say to this one, "I love you?"  
If you can,  
you shall become the Master in a short amount of time.

And to that which your eye at first does see no beauty rest,  
can you find it here in all you see? If So,  
you shall become the Master in a short amount of time.

And some of you will be guided to take up your palette  
and all that belongs to you and move away í or change locations í or occupations.  
Can you do this in faith according to the instruction of the voice within your heart?  
If you can, you shall become the Master in a short amount of time.

And can you lift your heart above the sadness of the earth  
and the energy you feel when you rise?  
Can you lift your mind and heart above this energy field  
and hold the joy of the Lord throughout the day?  
If you can, you shall become a Master in a short amount of time.

Harmony is the gift of Grace,  
and it runs through you as though a lifted bird singing its heart into the I.  
Harmony is the gift that unites all in harmony.  
Can you hold the harmony of I all the day long ó no matter what?  
If you can, you know the result. You shall become a Master in a short amount of time.ö
